	Question: TA: Greatest strength
Zhao	I didn't work with Bo much this semester (we split into groups each time) but he seemed great! He was also very approachable and friendly, and because he was the head TA I assumed he knew what he was doing.
Zhao	Was a great resource for figuring out problems with the lab.
	Question: TA: Improvements
Zhao	Answers questions with other questions.
	Question: TA: General comments
Zhao	I only really spent one lab with Bo because the lab split between the two TAs each week.
